

Japan Platform

International NGO delivering emergency humanitarian assistance from Japan

Your Continued Support to Japan Platform is Greatly Appreciated

At Japan Platform (JPF), our activities are supported by your generous donations.

The number of displaced people by conflicts and natural disasters has been increasing all over the world. Humanitarian crises are becoming more complex, large-scale, and prolonged. In recent years especially, natural disasters have become larger and more frequent.

Your kind support enables us to deliver emergency humanitarian aid for those who need it immediately, and to prepare for future disasters and humanitarian crises.

Regular Donations

For Individuals

Monthly Supporter

This is a way to support us with as little as 1,000 yen per month. Your monthly donation allows us to deliver aid more quickly and continuously to those affected by disasters and humanitarian crises.

For Businesses and Organizations

Supporting Member

We are looking for supporting members to lead our disaster recovery efforts. You can support us with as little as 50,000 yen per year, and your company name and logo will be displayed on our website.

General Donations

General Donations

You can donate anytime. Your donation will be used for all JPF activities including needs assessment and emergency support in the event of a disaster or conflict.

Donate in Other Ways

There are many ways to support us, such as donating using points or through various external websites.

Donation through bequest or inheritance

You can donate a portion of your estate or inheritance from your family member for humanitarian relief efforts.

● JPF is accredited as a "Certified Non-Profit Organization" by the Tokyo Metropolitan Government. Donations to JPF are eligible for tax deductions and other tax benefits.

Platform for civil society to realize collaboration among diverse partners to deliver Japan's aid

Japan Platform (JPF) was established in 2000 as an equal partnership of NGOs, businesses, and government to deliver emergency humanitarian assistance.

JPF works as a platform for civil society, during both emergency and non-emergency times, for rich collaboration among diverse people including these three parties as well as individuals who support our work. We swiftly and effectively deliver support from Japan to victims of natural disasters both domestically and internationally as well as refugees and internally displaced persons due to conflicts.

Our Vision

To expand Japanese assistance globally and create a world where all indivisuals can open a path to the future.

Cooperation for effective assistance

Assembling the wisdom of NGOs, business communities, the government of Japan, and intellectuals, and forming a platform to practice effective operation to provide sustainable and optimal assistance to beneficiaries

Support for the self-reliance of affected people

Building a society where people from different backgrounds can live together in the spirit of coexistence and self-reliance.

Leadership for NGO activities in humanitarian assistance

Playing a central role domestically and internationally to achieve and to promote what Japanese NGO aid ought to be.

General Assembly

Approvals and decisions for JPF's operations and program policies, assessment of project proposals, evaluations

Project Examination Committee / Project Program Strategy Meeting

Standing Committee Examination Subcommittee Asset Control Committee

Secretariat The following duties will be carried out on a daily basis while coordinating the collaboration of all parties on the platform and delivering assistance to those in need

Planning and operations, monitoring and evaluation of the funding programs (MEAL), NGO capacity building, grant provision, fundraising and coordination, public relations, and cooperation promotion

Our programs

Japanese emergency humanitarian aid in line with local conditions and people's needs reaching destinations throughout the world

Japan Platform has supported the aid activities of more than 45 member NGOs, each with its own set of diverse strengths. In line with local conditions and people's needs, we have delivered humanitarian assistance to more than 65 nations and regions through over 2,300 projects, with a total financial contribution of 92.4 billion yen. We have built a reputation based on trust by cooperation among our member NGOs and through accountability for our activities.
